

Give a Holiday Gift to the Community !

The Florida Botanical Gardens Foundation

Sponsorship/Donation for Holiday Garden Lights

The Florida Botanical Gardens Foundation is planning this year's premier Pinellas County holiday event – HOLIDAY GARDEN LIGHTS (Nov. 27-Jan 4.) when the grounds of the Florida Botanical Gardens will be illuminated with thousands of holiday lights. Your family or your company has an opportunity to help the Foundation provide thousands of Tampa Bay Area families and visitors with this magical—and **FREE** – HOLIDAY EXPERIENCE FOR THE EIGHTH YEAR IN A ROW

Last year 40,000 guests attended. .

We need \$25,000 from generous, community-minded families and companies to keep this unique Holiday tradition “glowing” strong and going “greener” this year.

Can we count on you to help us?
